March 11, 2002

Dear Chairman York:

On Friday, March 1, 2002, copies of the draft Fire-Rescue Commission Charter, which had been prepared by County staff, were hand-delivered to members of the Loudoun County Fire-Rescue Commission. During the Fire-Rescue Commission Meeting on March 5, 2002, the Fire-Rescue Commission voted to distribute the proposed charter to the individual volunteer companies and members for their review and comments. The Commission would then review the Charter at the March 26 workshop.

Sincerely,

Bill Schwartz, Vice-chairman
Loudoun County Fire-Rescue Commission
